12) The C.C.F, Bangalore in his letter dt 1-3-58 has reported that the area of 19A-34G. in Forest Survey No. 308 of Airani, Tal. This exceeds the limit of "economic holding" by 4A-27G. but does not exceed the ceiling limit of 48 acres of Jirayat lands fixed in Sec 5 of the B.T. & A.L.A, 1948. The Bombay Govt memo No. LND 3957/61350 B. of 12-6-56 directs that the limit of economic holding should not be made applicable to grants of lands already sanctioned prior to that Govt resolution of 10-6-55. MYSORE GOVERNMENT SECRETARIAT
NO. 231

ANIMAL HUSBANDARY & FOREST BRANCH

SECRETARIAT
1 MAR 1958
F. DEPTT., CO-OPERATION BRANCH

I write to state that one Sri Bettappa Bangarappa Dodtammanavar of Aremallapur, Ranebennur Taluka was granted an area of 19 acres 34 guntas in F.S.No.308 of Airani Taluka Ranebennur on Agri-Silvi basis for a period of five years from 16-6-51 to 31-5-56. The period of lease was extended up to 31-12-56 under Bombay Govt. order No.FID -1056/86948-E of 24-8-56.Accordingly the area was to be resumed on 1-1-57. But the Conservator of Forests has now reported that the District Forest Officer allowed the lessee to cultivate the land this season pending final decision of the case as per G.O. No.AFD 73 DAR 57 dated 25-4-57 and request to ratify the action of the District Forest Officer. He has further reported that the total area in possession of the lessee will be 20 acres 27 guntas including the area of 33 guntas owned by him and that this exceeds the economic holding by 4 acres 27 guntas against the area of 16 acresof Tharai land prescribed under G.R.R.D.No.LND-3955/97031 of 21-10-55. But in view of the large amount spent by the lessee in bringing the land under cultivation and also in view the withdrawal of a small protion of the land rendering the boundaries awkward he recommends to grant the whole area leased out to him as inforest cultivation plot. Copies of reports No.22/51/1017 dated 26-7-57 and 22/51/12622 dated 17-12-57 from the Conservator of Forests, Belgaum are enclosed for favour of perusal. I agree with the recommendation of the Conservator of Forests. Orders of the Government may kindly be obtained and communicated to me early.

Yours faithfully,

Sub:-Request of Sri Bettappa Bangareppa Doddtamanavar ofAremallapur, Taluka Renebennur for grant of F.S.No.308 of Airani for cultivation,

One Sri Bettappa Bangareppa Doddtamanavar of Aremallapur, Taluka Renebennur was granted an area of 19 acres 34 guntas in F.S.No.308 of Airani Taluka Ranebennur for cultivation of Agri-Silvi basis for a period of five years i.e.1-6-51 to 31-5-56. The period of the lease which expired on 1-6-56 was extended by the Government of Bombay under their No.FLD-1056/86948-E of 24-8-56 up to 31-1-56 (please vide this office No.22/51/3346 of 23-2-57). Accordingly the area was resumed on 1-1-57 (please vide this office No.22/51/207 of 30-4-57).

2. The D.F.O. has now reported that the lessee has improved the area spending an appreciable amount and with his own hard work. The Survey number is reported to be absolutely flat and quite suitable for cultivation and its grant will not create the forest boundaries seriously awkward. He therefore allowed the lessee to cultivate the area this season pending final decision of the case as per para 2 of the Government order No.AFD 73 DDAR 57 of 25-4-57. His action may please be ratified.

3. The D.F.O. has already been asked to report in detail regarding the position of economic holding of the applicant lessee with reference to the Bombay Government orders in R.D.No.LND 3953-VB of 20-8-55 read with G.R.R.D. No.3955/97031 of 20-10-55. On receipt of his report a detailed report will be submitted to you to decide the case finally.

Subject: Request for grant of survey No.308 of Aireni Taluka Hanebennur.

No.22/51/ 12622 .of 1957-58.
Belgaum, 17 December, 1957.

Submitted to the Chief Conservator of Forests in Mysore, Bangalore, with reference to his No.P3-G1-2507/56 of 27.8.57.

2. The D.F.O. has explained in detail the circumstances under which the land was allowed to be cultivated. As the applicant lessee has spent a large amount in bringing the land under cultivation and the case comes under the purview of Government orders contained in the Bombay Govt. Resolution A.& F.D.No.FDM-1055 of 3.10.55 and the Mysore Govt. order No.AFD-73-DAR-57 of 25.4.57, it would be too harsh to take back the land from the lessee. Government may therefore kindly be moved to issue orders to convert the area into 'Inforest Cultivation Plot' and also to ratify the actions of the D.F.O. in allowing the applicant lessee to cultivate the land after 1.1.57 as already requested in para 2 of this office No.22/51/1017 dated 26.7.57.

3. The economic holding of jirayat land has been fixed as 16 acres in the Bombay G.R.R.D., No.LND-3955/97031 of

P.T.O.

of 20.10.55. In view of the reasons reported by the D.F.O. in para 2(4), the excess over economic holding may please be overlooked and the whole area granted as "Inforest Settlement Plot".

Letter.

To

The Conservator of Forests, Belgaum Circle, Belgaum.

Ref:- Your No. 22/51/8318 of 12-9-1957.

Detailed enquiry into the case reveals that the applican Shri Bettappa Bangarappa Doitammanavar owns an area of only 33 gunthas and not 25 acres 32 gunthas. The area of 33 gunthas possessed by him is a jirayat land in which only dry crops such as jowar, navani etc. is grown. The area of S.No. 308 leased out to him is 19 acres and 34 gunthas. The whole area except an area of 3 acres which is rocky, has been brought under cultivation after spending an appreciable amount on improvement. I have personally seen this area. The improvements carried out by the lessee are really appreciable and it would be unjust if the area is withdrawn at this stage. The crops raised are jowar, navani etc..

2. The position of the economic holding of the lessee is as under:-

1) The lessee owns only 33 gunthas which is jirayat land.

2) The area of S.No. 308 leased out to the lessee is 19 acres 34 gunthas out of which about 3 acres is rocky.

3) If the area of the S.No. is granted to the lessee, the total area in his possession will be 20 acres 27 gunthas.

4) According to G.R.R.D. No. LND 3955/97031 of 20-10-1955, the economic holding of jirayat is 16 acres. If the forest area of S.No. 308 is granted to the lessee, the total area will exceed the economic holding by 4 acres 27 gunthas. But as there is ~~xxxxxxxxxxxx~~ rocky area to the extent of about 3 acres in the survey number the excess over the economic holding will be very negligible. Moreover it is not advisable to withdraw a small portion of S. No. 308 as its withdrawal will make the boundaries awkward.

3. The area of S.No. 308 is a open forest since it does not contain treegrowth except some trees raised by the lessee according to the terms of the lease. There are 12 members in the family of the lessee. The area was granted to the lessee on Agri-silvi system in the year 1951 (i.e. 1-6-1951) and since then it is in continuous occupation.

~~Thus~~

4. In the circumstances stated in paras 2 and 3 above, this case comes under the purview of G.R.A&F.D. No. FDM 1055 of 5.10.1955 and the Government order No. AFD 73 DAR 57 dated 25th April, 1957. The survey number may therefore kindly be granted to the lessee on "Inferest Settlement" basis.

In submitting herewith the two case papers received under your Nos.quoted above, I have to state as under:-

In both the cases the question of relaxation of the limit of economic holding is involved. In GRRD No.LND/3953-V-B dated 20-8-1954 Government have issued instructions for permanent disposal of waste lands. These orders have been further amplified also amended by subsequent Government Resolutions.While disposing of waste lands the Prant Officer, Pandharpur Division and Assistant Collector Madha Division have raised the following difficulties and referred the matter for clarification:-

1.whether the lands should be kept on Eksali lease till the full occupancy price is paid by the grantee.

2.Whether kabulayat should be got executed and name of the grantee should be entered as kabjedar in V.F.VII-XII after taking in column of other rights regarding the occupancy price to be recovered from the kabjedar.

3.As per GRRD No.LND/3955/97031 dated 20-10-55, the economic holding is fixed as 16,8 and 4 acres. 2. I have issued necessary instructions to the Prant Officers and the points clarified in this office memo No.III-1519 dated 3-5-56 (copy enclosed for information).The instructions issued in the above memo may kindly be confirmed and further clarifications if any may be issued.

With reference to letter No.III/192 dated 8-2-56 of P.O.P.D.and D.O.letter No.Nil dated -1-56 of A.C.M.D.th points referred to in the above letter are clarified as under:-

1.The lands are to be disposed of permanently as far as possible. If the grants are made as per GRRD No.LND 3053-V-B dated 20-8-54, they are permanent grants and it is not necessary to lease the land on Eksali lease till the full occupancy price is paid by the grantee.

Further orders for converting the Agri-Silvi plot of 19 acres 34 gunthas in F.S.No.308 of Airani into 'Inforest Settlement' plot are still awaited. The Agri-silvi lease has expired long back. The applicant lessee has been allowed to cultivate the land pending receipt of Govt. orders (Kindly vide your No. 22/51/12622 of 17.12.1957). The area is in possession of the lessee without any lease agreement It is also not peasible to prevent the lessee from cultivating the land as he will be put to great hardship if the land is withdrawn till receipt of Govt. orders. I, therefore, request that Govt. may kindly be moved to issue very early orders.
